

*For EU Abhyasis Visiting the Vrads Sande International Ashram:*

You can now **pay for membership of SRCM Denmark online:**

[European Membership](#)

The membership fee for EU abhyasis is 35 Euros, which goes towards the upkeep of the Vrads Sande International Ashram. Becoming a member of the Danish Mission is done *in addition to* membership in your home country.

You are most welcome to pay a higher amount as a donation. All you have to do is change the number in the field. You may also pay a donation at any time (without paying the membership fee).

We encourage you to select annual payment of your membership fee, so it is automatically charged to your credit card at the start of each year. Similarly you can set up an annual or monthly donation to the Vrads Sande International Ashram. (This feature is currently being implemented).

If you want to pay a membership fee for more than one abhyasi, please write any additional names and addresses in the *Comments* box and add up the fees in the donation field.

Membership is for abhyasis who expect to renew their membership on an annual basis.
