

Revered Master's 85th Birthday Celebration

Discipline in Love

23rd - 25th July 2011, D.J. Park, Tiruppur, India.

Dear Sisters and Brothers,

Revered Master has graciously permitted all of us to celebrate His 85th Birthday at Tiruppur and has constituted a committee to organize the event.

We, the members of the committee, are indeed privileged and feel humbled by His decision. We will strive to make this celebration a joyous occasion.

Revered Master has also given us a theme for the celebration – “Discipline in Love”.

Over the coming days and months, all of us must think hard of the real meaning of this phrase, and put it into action, so that we may be able to reverberate with its essence during the celebrations.

The celebrations will be held between Saturday, the 23rd and Monday, the 25th of July.

We welcome you all with open hearts to participate in this Birthday celebration of our Beloved Master.

Let us all gather together to participate in this joyous occasion, and to bathe in the spiritual grace of the Great Masters!

Chairman, Celebrations Committee.*

“This special day for our Mission, Master’s birthday, must be celebrated with respect and love. Each one of our aspirants must realize how he is lucky in this life to meet the divine guide who can lead him towards his highest destiny. It is a special time in the process of sadhana: an opportunity offered to a disciple to let his heart express all its gratitude and to show it.”

Friday, April 30, 2004 – 10:00 a.m.

“Diversity strengthens the cohesion of the group; respect for one another being the determining element, which obliges each one to take a new look at oneself if necessary. Nobody is perfect, it is wise to admit it, and the imperfection of the other is useful to oneself, insofar as it enables the observer to react in the right direction. These great gatherings represent a power for the Mission, which confers benefits on each participant.”
