A limited independent dorm accommodation will also be available near the venue, for which a separate communication will be issued by first week of April 2011.

### **Weather**

The weather in Tiruppur will be warm especially during daytime during the period of the celebration. There may be brief rain showers.

### **Travel**

#### Air

The nearest airport is Coimbatore. The airport is very well connected from all parts of the country and various airlines are flying to this destination. Normally it would take one and a half hour by road to reach the venue from the Coimbatore airport.

#### Rail

The venue is about 12 kilometers from Tiruppur railway station. Tiruppur railway station is located between Erode and Coimbatore junction.

## **Volunteers**

We require a significant number of volunteers to be present at the venue a minimum of 2 weeks before the Celebrations.

Some volunteers would be required much earlier to assist in the preparations and some would be required to stay about ten days after the Celebrations for winding up operations, hence volunteers will need to plan accordingly.

Centers are requested to encourage and nominate abhyasis for voluntary work.

The list of volunteers with name of the centre, number of abhyasis (brothers and sisters separately), area of volunteer work, and approximate date of arrival and departure may be sent by email to [24july.helpdesk@srcm.org](mailto:24july.helpdesk@srcm.org) as this will enable us to plan.

## **Travel Advisory**

### Health Safety

With a measure to avoid health risks, it is advised that the following do not register for the celebration:

- Abhyasis of age 75 or above who need special assistance, care and attention
- Abhyasis with health problems who have been advised by their doctors not to travel
- Parents with children below two years of age
- Parents with special children who are mentally challenged
- Abhyasis / children (irrespective of age) requiring constant medical care with support from guardians / attendants travelling with them

This is considered for the safety of such abhyasis by avoiding any health risks because of the climatic conditions in July at Tiruppur and due to limited health care facilities available at the venue.

### Visas

All overseas abhyasis may please be advised that, this year, the Mission headquarters would not be issuing any certificates / recommendations / invitations for Visa purposes. Obtaining visas for visit to India for the celebrations as well as subsequent visits (for regional seminars) will be their own responsibility.
