Travel

Air

The nearest airport is Coimbatore. The airport is very well connected from all parts of the country and various airlines are flying to this destination. Normally it would take one and a half hours by road to reach the venue from the Coimbatore airport.

Rail

The venue is about 12 kilometers from Tiruppur railway station. Tiruppur railway station is located between Erode and Coimbatore junction.

Volunteers

We require a significant number of volunteers to be present at the venue from now onwards. Some volunteers would be required to stay about ten days after the Celebrations for winding up operations, hence volunteers are requested to plan accordingly.

Volunteers arriving at the venue may report to the volunteer desk or the ashram office. Volunteers from previous celebrations are encouraged to volunteer their services and also encourage other willing abhyasis to participate in volunteer work.

Centers are requested to encourage abhyasis to participate in voluntary work. The list of volunteers with name of the centre, number of abhyasis (brothers and sisters separately), area of volunteer work, and approximate date of arrival and departure may be sent by email to 24july.helpdesk@srcm.org as this will enable the organizers to plan accordingly.

Travel Advisory

Health Safety

With a measure to avoid health risks, it is advised that the following do not register for the celebration:

- Abhyasis of age 75 or above who need special assistance, care and attention.
- Abhyasis with health problems who have been advised by their doctors not to travel.
- Parents with children below two years of age
- Parents with special children who are mentally challenged.
- Abhyasis / children (irrespective of age) requiring constant medical care with support from guardians / attendants travelling with them.

This is considered for the safety of such abhyasis by avoiding any health risks because of the climatic conditions in July at Tiruppur and due to limited health care facilities available at the venue.
