

# Birth Anniversary Celebrations of Revered Lalaji Maharaj

1st - 4th February 2014  
Diamond Jubilee Park, Tiruppur

“ There is nothing more beautiful than loving my Master and honouring Him. His greatness cannot be forgotten in our Mission. Our aspirants, those who are really committed, will be very keen to perpetuate His memory in the future. Isn't He the Initiator of our way? To remember the Great Master Lalaji as is proper, it is to venerate all the Masters united, now and in the future. May all our brothers and sisters become aware of this reality and not forget it.”
